THE eyes of the world—the white man's world—are turned toward the lower end of California. Jeffries is down there. Jeff is out fishing at Catalina, having a good time and paying no attention at all to the frantic telegrams of a score of managers who want him to come out and fight Jack Johnson and take that title away from him. Jeff is the only man in the world who can do it, and Jeff says he won't.

In spite of the fact that Jeffries has stuck to his word complacently through all sorts of persuasion—has stuck like glue for four solid years—he is still pestered with appeal. Any other man but Jeffries might be persuaded. But there's no more use in trying to move Jeff's mind from its position than to move his body, which everybody gave up long ago as impossible. When Jeff says he won't, he won't, and that's all there is about it. All of Jeff's answers, when he does answer, read alike:

"Absolutely nothing doing."

JOHN MAKES NEW
RECORD FOR MOTT
HAVEN A.C. COURSE

Harvey Cohn, the good little runner of the Irish-American Athletic Club, not only won the weekly meet of the Mott Haven A. C. over the Bronx course yesterday, but also set a new record for the distance, clipping 55 seconds off the old mark. Eighty-two men started in the race, a new record for the hard course of the club.

Cohn, after racing well back in the big field for the first four miles, cut loose then, and carrying with him three runners of the Trinity A. C., whom he has been training, came on and won as he pleased, finishing twenty yards ahead of T. Lee in the splendid time of 22 minutes and 30 seconds. J. McCarriek and J. Gorman, the Trinity A. C., finished in third and fourth positions.

Johnny Hayes and Mike Spring, the professionals, started in the race as a limbering up stunt. Hayes led the big pack for the first mile, but then dropped back into the bunch, and was in the pack when the race was finished.

Here's a Champion Giant
of the College WorldYale and Penn Send Out
Scouts to Capture Young
Bartlett.

ARTHUR E. BARTLETT, of Boston, the Worcester Academy athlete, has shown such wonderful strength that Prof. McMillan has predicted that he will be found to be the strongest college man in this country when he enters college next fall. He may enter either Yale or the University of Pennsylvania. Scouts from both institutions have been after the young Boston lad, and Mike Murphy was very much impressed with him and is anxious to have him enter Penn.

Bartlett's round strength test, according to the Sargent system, is 1,472 points. He is a giant in stature, standing 5 feet 11 inches high, and weighing 190 pounds. He is only nineteen years old. His average was based upon the strength of his arms, right and left, and his legs, right and left, and his torso. The marks received in these respective tests were: Right arm, 125; left arm, 125; upper arm, 85; right leg, 85; left leg, 85; torso, 85. In addition he came within 100 and 110 lbs.

Bartlett's chest measures 30 1/2 inches, and his lung capacity is 26. He has shattered all records for strength at the academy, and during a test broke a 200-lb. bar used to test the strength of a basketball player. He has been substituted. He has won the 200-lb. bar test at the B. A. games in Boston, and holds all shot put and discus throwing records at the academy. He is also a speedy runner. His basketball player, plays ball and is a crack football player.
